

Family Christian Academy

Where Christ is King

IMPORTANT GENERAL INFORMATION:

1. Per FCA policy, we do not use iPads in elementary due to the ever increasing problems with the upcoming generation of students lacking writing skills such as cursive and print. Thankfully, legislation has now made “writing” a requirement in beginning in elementary school again.
Middle and High- Chrome Cart is provided.
2. We offer elementary computer classes for grades K4 – 5 with an emphasis on typing skills for grades 3 – 5.
3. Accelerated Reading Program for 1st through 8th grade is required.
4. Computer math lab is offered for middle and high school (FCA provides the computers) and uses the MyMathLab platform.
5. We provide a state of the art Apple computer lab for middle and high school and a separate Dell computer lab for elementary.
6. The Athletic Program offers elementary, middle and high school sports opportunities such as cheerleading, volleyball, basketball, softball, baseball, track & field, elementary and middle football and we are moving towards high school football.
